Help Milam County,
Cameron Grow

The Cameron Herald

TEXAS PRESS ASSOCIATION 1962 PRIZE WINNER

VOL. 103, NO. 43 | All Departments: OX7-4671 | CAMERON, MILAM COUNTY, TEXAS, THURSDAY, JANUARY 17, 1963 | 10 PAGES TODAY

WINNERS — David McClaren was a double winner again this year as he showed both the Grand Champion steer and the Dairy female at the livestock show Saturday. He also won these two divisions last year. At the right is Henry Able Jr. with his Grand Champion Barrow. The show was held in a cotton warehouse furnished by the Cameron Compress.

$1.6 Million Gain In Year

Bank Deposits Up

City Banks Show Million Increase

A Staff Report

Milam County bank deposits climbed $1.6 millions from Dec. 28, 1962 over the previous year, according to a Herald survey.

And Cameron bank deposits accounted for more than a million dollars of the five - bank gain.

Citizens National Bank showed a gain of about $480,000 in the 1962 year - end bank call with $10,132,219.92 in deposits compared to $9,644,885.39 a year ago.

And First National Bank showed a gain of of $560,000 in deposits with $5,178,434.67 in the Dec. 28, 1962 call compared to deposits of $4,615,198.73 at the end of 1961.

Other Milam banks also showed increases, headed by Rockdale State Bank deposit gain of $455,000.

Rockdale State reported $5,964,706.01 in deposits Dec. 28, 1962, compared to deposits of $5,507,623.91 at the close of business in 1961.

Buckholts State Bank showed an $81,000 increase with deposits of $840,649.34 compared to the previous year's $759,411.01.

And Thorndale State Bank showed the lowest increase with deposits gaining about $13,000 to $1,232,996.84 from the 1961 closing report of $1,219,932.34.

Total deposits in the five banks were $23,349,006.78 compared to $21,747,051.38 at the close of business in 1961.

MOD KICKS OFF DRIVE IN MILAM; EVENTS PLANNED

The Milam County March of Dimes drive Friday night was kicked off with a dinner at Rockdale. Eight Cameronites represented this area.

This week, Max McClaren, Cameron area MOD chairman announced a number of fund - raising programs starting with a charity chili and tamale supper 6 to 10 p. m. Thursday, January 24, at Star Lite Club.

McClaren noted that a benefit basketball game will be played in Cameron January 26. Other plans include a style show about Valentine's Day, 42 parties and other activities for teen - agers and adults.

Mrs. Monroe Fuchs and Mrs. W. K. Leonard will be co - chairmen of the annual MOD Mother's March. Date for the drive will be announced later, McClaren said.

Attending the kickoff dinner from Cameron were: T. D. McKinney, Melvin Provasek, Robert Woodum, Margie Conley, Kay Bridges, Mrs. Monroe Fuchs, Mrs. Leonard and McClaren.

Milam Dist. Court Disposes 188 Cases In 1962 Sessions

The Milam 20th Judicial District Court this week reported a total of 141 civil and 47 criminal cases disposed of in 1962.

In his annual report to the Texas Civil Judicial Council, District Clerk Grady Allen reported that 258 civil cases were on the docket with 130 pending January 1 and 128 filed during the year. There were 91 civil cases tried during the year and 117 were pending at the end of the year.

On the criminal side there were four pending January 1 and 50 filed during the year. The court disposed of 47 cases during the year. Three were jury trials and 44 were tried without a jury. Seven cases were pending at the end of the year.

Two of the civil cases were tried by jury. Two of the cases were appealed and there were no cases reversed on appeal.

There were five tax suits pending January 1, 1961 and one more was filed during the year. One case was tried during the year. There are five cases pending as of December 31.

There were 44 divorces granted in 1962 by the Milam Court. There were 67 cases filed and 44 were pending on January 1. The court disposed of 71 of these cases. Forty - four cases were tried during the year.

There were no annulment suits on the docket in the court.

In other civil suits, 69 were disposed of during the year. There were 141 on the docket during the year. Sixty cases were filed and 47 tried in 1962. There were 72 cases pending December 31.

Last year the court reported a total of 151 civil cases a compared to 141 this year. There were 32 criminal cases disposed of in 1961 and 47 disposed of this year.

Rites Tuesday For Andrew Cortez, 68

Andrew Cortez 68 of Temple, formerly a Milam County resident, died in Temple Monday following a heart attack.

Funeral services were held 3 p. m. Tuesday at Green's Funeral Chapel in Cameron. Burial was in Hernendez Cemetery.

Cortez lived in Temple the past two years. He had formerly lived in the Buckholts Community.

Surviving are his wife; six sons, Benito Cortez, Severiano Cortez, Pete Cortez and Joe Cortez, all of Temple, Fred Cortez of Caldwell and Andrew Cortez Jr. with the U. S. Air Force at Sheppard AFB in Wichita Falls; two daughters, Mrs. Jane Rodriquez of Japan and Miss Margaret Cortez of Temple.

Booster Club To Meet Here Monday

The next regular meeting of the Yoemen Booster Club will be 7:30 p. m. Monday at the Vocational Agriculture Building at Yoe High School.

An interesting program has been planned for this meeting and all members of the Booster Club are urged to attend.

During the months of January and February the club will hold regular meetings on the first and third Mondays at 7:30 p. m. All members of the Booster Club are urged to attend these meetings.

New Dial System For San Gabriel

A new dial system and central office will be built in San Gabriel, according to Congressman W. R. Poage.

A loan by the Rural Electrification Administration was approved last week. The loan of $250,000 will go to the Four - State Telephone Company for the new service in that area.

Rogers Tax Office To Be Open Sat.

ROGERS — The tax office in the Rogers Consolidated Independent School district will be open the last two Saturday mornings in January for the convenience of tax payers, Mrs. C. O. Synatzske, collector, announced.

The hours will be from 8 until 11 a. m.

REP. SCHILLER NAMED TO FIVE COMMITTEES

Rep. Milton J. Schiller of Cameron was named to five committees when Speaker Byron Tunnell gave out assignments to committees in the House of Representatives last week.

He was assigned to committees on Appropriations, Livestock and Stock Raising, Banks and Banking, Penitentaries and Contingent Expenses.

Schiller was one of two freshman Representatives who received five committee assignments.

Appropriations, with Rep. W. S. Heatly of Paducah as its chairman, is one of the major committees and will deal with the approximately 3.2 billion dollar budget for the next two years of state spending.

Rep. Schiller also considered his assignment to Livestock and Stock Raising very important since his 45th District is largely a cattle raising area.

Banks and Banking and Penitentaries also are influential posts. The Banks and Banking Committees will have charge of the long-delayed loan shark bill.

'62 Fire Losses Total $71,862, Marshall Reports

A total of $71,862.97 in insured fire losses was reported to The Herald by Cameron Fire Marshal John Eanes.

He gave this month by month report:

January $3,525; February none; March $168.23; April $450; May none; June $20; July $4,452.31; August $30; September $9,074; October $80; November $15,290.43 and December $73, July 22,1961, carry over on Milam Theatre fire $38,500.

The Department answered 111 calls of which 65 were in the city and 46 were rural fires. There were 77 grass fires, 16 houses and barns 13 vehicles and five honest mistakes.

The Milam Theatre fire was settled in 1962 and is counted in this total.

Figures for Milam County's fire insurance premium rates were not available. Premiums for 1961 were about $69,000. The fire insurance rate for the city is figured on the basis of losses and premiums over the last five years.

Last Rites For Henry Ratliff, 82

Funeral services for Henry Ratliff, 82, were held Wednesday at 2 p. m. in the Rogers Funeral Home.

The Rev. W. E. Harrell of the First Methodist Church in Waco and the Rev. Wayne Murf of the First Methodist Church of Rogers officiated. Burial was in Rogers Cemetery.

Ratliff was a retired highway contractor and former partner in the firm of Thomas and Ratliff of Rogers. The firm was formed in 1919 and was one of the oldest highway construction firms in Texas before it was dissolved in 1954. He also was chairman of the board of directors of the First State Bank in Rogers.

Survivors are his wife; a daughter, Mrs. P. Clayton Sapp of Corpus Christi; two grandchildren, Martha and Henry Sapp of Corpus Christi and four sisters.

Industry Program Studied

Members of the Cameron Chamber's industrial and public relations committee Monday night outlined about a dozen amendments to the proposed constitution and by-laws of the non - profit Cameron Industrial Foundation.

Meeting at the county judge's office in Milam Courthouse, the 12-man group studied the Foundation's proposed by - laws read by moderator Jack Prescott. The five - page Constitution and by - laws was drawn by a panel of five Cameron lawyers and businessmen incorporating similar plans used in other cities of Cameron's size.

PROPOSAL READ

Prescott read through the entire plan, which designated rules to elect Foundation officers and directors, methods of selling stock in the non - profit industrial founda - tion and responsibilities of both directors and members.

The revised constitution will be presented to the Cameron Chamber board of directors tomorrow for another review. Once organized, the Foundation will be separate from the Cameron Chamber of Commerce and self - sustaining.

A complete copy of the approved Constitution will be available to the public when a final draft is approved by the Cameron Chamber board of directors.

Work on the proposed constitution and by - laws has been underway for about six months.

15 - MAN BOARD

It proposes a 15 - man board of directors, voting shares in the Foundation selling for $100, annual meetings of membership and quarterly meetings of the board and other basis for establishment of an Industrial Foundation in Cameron.

Attending the meeting from the industrial committee and public relations committee were: Chamber President E. O. Schiller, Jr., Henry Siebman, Hilliard S. Thomas, Dana Kestenbaum, Lester Williams, John B. Henderson, Jr., Charlie Burke, Sam Tindall, Jack Tumlinson, Frank Luecke, Charles Chandler and Prescott.

Firemen Answer 9 Calls This Week

Cameron Volunteer Firemen answered nine calls in the past week as a wave of grass fires hit the city and surrounding area.

Thursday the department answered three calls, all grass fires. The first was on the Salem Road, the second on North Washington and the third on 12th and Jackson.

Sunday the grass around a butane tank on Park Street was put out before any damage could be done.

Monday the department answered a call for a grass fire behind Skeezik Steak House. Then later they put out a small grass and brush fire on East 12th Street.

Firemen answered three calls Wednesday afternoon on grass fires. The first was a fire on the railroad rightaway near Pettibone, the second was on East 10th and the third was on Walnut Street. All were grass fires and no property damage occured.

Officials warned citizens to be extra careful with matches and other fires.

103

By FML

Cold weather had its inverse effect on some things last weekend.

On a bag full of medical instruments, for instance.

Dr. E. O. Smith, Jr., Cameron physician, often keeps his doctor's medical bag in his car. That was the case last Saturday night when the mercury dropped to 16.

Finding the equipment more than chilled by the low temperature, Dr. Smith took his bag full of equipment — stethoscope, etc. — in the house and set it in the kitchen oven to warm, then went on to other things.

You may have guessed it. More than warm, the stuff got hot and cooked stethoscope and company medium well.

103 - 103 - 103

Cold weather plays all manner of tricks. Newsprint ink, usually a syrupy black, turns to paste. Paint is similarly inclined. Autos cough and sputter; milk pops out of bottles (if left out on the porch); shoes squeak louder, if at all; cats refuse to go outside and dogs yearn to get in the house.

And water declines to run down the bathtub drain, impressed only by a plumber with blowtorch in hand.

We're glad it happens only about once a year in Central Texas weather. An interesting thing about these weather snaps is they often follow a warm spell. Cameron had a high of 82 last Thursday.

103 - 103 - 103

There was a keynote of enthusiasm Monday night when the industrial committee of the Cameron Chamber reviewed the proposed by - laws and constitution for an Industrial Foundation.

Winners Told In Livestock Show

David McClaren, son of Mr. and Mrs. S. W. McClaren of Marlow, showed both the Grand Champion steer and Dairy female Saturday at the Junior Livestock Show. McClaren is a member of County-Wide 4-H Club.

Henry Abel, Jr., a Sharp Community 4-H Club member, showed the Grand Champion Breeding Beef heifer, the Reserve Grand Champion steer, Grand Champion barrow and the Reserve Champion gilt. Abel is the son of Mr. and Mrs. Henry Abel of Sharp.

Brent and Della Laywell showed the Grand and Reserve Champion fat lambs. Both are members of County - Wide 4-H Club and are children of Mr. and Mrs. Ed Laywell of Cameron.

Susan Abel, Sharp 4-H Club member, had the Grand Champion gilt. She is the daughter of Mr. and Mrs Henry Abel.

Tommy Caden and Mitch Clark showed Grand Champion and Reserve Champion Breeding sheep. Both are members of the Thorndale FFA Chapter.

Tim Titsworth, County - Wide 4-H Club member and son of Mr. and Mrs. C. Titsworth, showed the Reserve Champion barrow.

Martin Jistel, Cameron FFA member, showed the Reserve Champion Dairy Female and the Dairy Showmanship Award.

George Weems, Rockdale FFA member, had the Reserve Grand Champion Breeding Beef heifer.

Carroll Grimm, Thorndale FFA member, was awarded the Showmanship Award in both sheep and beef cattle. Patsy Titsworth, daughter of Dr. and Mrs. Robert Titsworth, was awarded the showmanship award in swine.

John Kuykendall and Larry Osbourn, members of the Senior Livestock Judging Team at A & M College, judged the steers, breeding heifers, sheep and swine. Bob Gray, Dairyman from Holland, judged the dairy entries.

See WINNERS, Page 4

Five Meetings Next Week

Valuation Program Noted

Supt. Charles Zeigler, of the Cameron School District, this week announced scheduling of a series of information meetings on District property valuations with various school, club and area organizations.

He said that Mayburn Harris, representative of the Southwestern Appraisal Co., of Dallas and Stanford,, will present a 20 - minute program on the needs of the Cameron District and effect of an equalization program.

Harris, an expert in valuation procedures, is scheduled to open the programs for question and answers after his talk, Supt. Zeigler said.

Harris will also meet again with the Cameron School Board next Tuesday night to continue discussions on the valuation program.

FIVE MEETINGS

Over a two - day period next week, these five meetings have been scheduled:

3 p. m. Tuesday, Jan. 22 - Faculties of Yoe High School, Ada Henderson School, Ben Milam School at Ada Henderson Cafetorium.

4:15 p. m. Tuesday, Jan. 22 — Faculty of O. J. Thomas and negro community leaders at O. J. Thomas School. Public is invited.

Noon, Wednesday, Jan. 23 - Joint meeting of the Cameron Rotary and Lions Club at Texan Western Room.

COMBINED WOMEN'S GROUP

1:45 p. m. Wednesday, Jan. 23—Combined coffee and meeting of 10 Cameron area women's clubs at Methodist Fellowship Hall, including Delphian, Pleasure - Profit, Cameron History Club, Three Arts Club, A & M Mothers Club, Cameron Home Demonstration Club, St. Monica's Ladies Society, Business & Professional Women's Club, Fleur - de - lis Garden Club and Civic Garden Club.

7 p. m. Wednesday, Jan. 23 - General public at Simon - George Hall.

Supt. Zeigler also said that Harris will address a meeting of the Milam County Farm Bureau 7 p. m. Thursday, Feb. 7, at the Texan.

"Those 'get-well cards' you advertise in the Want Ads — are they guaranteed?"

Services Held For Accident Victim

Funeral Services were held at 2 p. m. Sunday at Green Funeral Home for James M. Mowdy, 82, Cameron's first traffic fatality in over two years.

Police Chief Elvin Hoskins said that Mowdy at 8:15 Friday stepped off the north curb of West 4th Street 70 feet west of North Bowie Avenue and was hit by a car driven by Karl Phillips Hachtel, 50 of Temple.

Hoskins said that the Hachtel car was traveling west on West 4th St. at about 40 miles per hour, under the legal speed in that area. Mowdy was wearing dark clothing and Hachtel said that he did not see Mowdy until the car was upon him, according to Chief Hoskins. The car skidded 30 feet before hitting Mowdy.

The victim was rushed to Newton Hospital where he died at 12:42 a. m. Saturday of internal injuries. He also suffered multiple fractures.

Hoskins said that this was the first fatal accident since he became police chief in October, 1960. It was also the first accident in the city since Christmas.

No charges were filed in the case.

Mowdy was a native Milam Countian, born August 24, 1880, and was the son of Jack and Norman Mowdy. He was a retired farmer.

The Rev. Dean Olen, pastor of the Battetown Baptist Church officiated at the services in Green Funeral Home. Burial was in Liberty Cemetery.

Survivors are three brothers, Bill, Clarence and Homer Mowdy of Cameron; and one sister, Mrs. P. A. Tyler, of Cameron.

Weather Notes

Temperatures ranged from a high of 82 to a low of 16 the past week.

9	75	45
10	82	50

15	53	22

Norther Brr-reaks City Plumbing

A cold wave that bottomed at a low of 16 Saturday sent Cameron and Milam vicinity into hibernation for the past weekend and burst plumbing in at least 250 homes and businesses.

And an automatic valve was out of operation for about 15 minutes, causing low gas pressure in parts of Cameron Saturday evening.

Cameron plumbers estimated they had received about 250 calls through Tuesday to repair pipes and plumbing fixtures damaged by the frigid Norther.

Dist. - Manager Charlie Burke, of Cameron's district office of Lone Star Gas Co., said the valve malfunctioned about 9:30 p. m. Saturday night, but was put back into operation in about 15 minutes.

He said about 10 workmen of the utility company were on duty until the early morning hours Sunday, checking out calls and following about 50 calls through Tuesday.

The mercury plummeted to a low of 16 Saturday after the cold wave reduced an 82 - degree high of Thursday to chilling winds and the sub - freezing temperatures.

Cameron grocers reported heavy shopping Thursday and Friday prior to and during the Norther.

There was no precipitation on streets and highways, so driving was not hazardous in the Cameron and Milam area.

County Agents Notes . . .

Insects, Disease On Fruit, Nuts

By J. D. Moore
Milam County Agent

Insect and disease control is important in the production of fruit and nuts. Health and vigor of trees and quality of fruit depend on a well - planned and well - executed control program. Losses due to insects and diseases can be reduced by carrying through a spray program and diligently following good orchard sanitation practices.

Leaflet L-245, Texas Guide for Controlling Insects and Diseases on Fruits and Nuts, is available at the county extension office. It has a complete spray program for controlling insects and diseases.

WHAT TREATMENTS SHOULD TREES HAVE NOW

Fruit and nut trees should be pruned during January or February. The purpose of pruning is to remove dead or damged limbs, balance or shape a tree, and to control excessive growth.

A dormant oil spray should be applied in January or February and before the leaf growth begins. The purpose of an oil spray is to control scab and scale insects. These insects have a scale like cover and are usually found on the underside of the limbs.

Dormant oil sprays will damage leaf growth and must be used preferably during January. Dormant sprays are sold under trade names and can be purchased at local stores.

FERTILIZER TREES NOW

All trees respond to fertilizer treatments. Use two pounds of fertilizer for each one inch diameter of the tree trunk. Punch holes in the soil around the tree and under the limb spread and place the fertilizer in these holes. The holes should be six to eight inches deep.

A soil test is the best guide for determining the most accurate guide for selecting the kind and amount of fertilizer to use. Demonstration test last year showed good response by using a 10-20-10 mixture of fertilizer under fruit and nut trees. Plans should be made and materials selected for doing these jobs without delay. Additional information is available at the county extension office on tree care.

Milam ASCS Report

Premeasurement service for 1963 crop cotton acreage will be offered to Milam County farm operators, Alva E. Sanders, office manager of the Milam County Agricultural, Stabilization and Conservation Service, has announced. Requests will be accepted from January 9 through February 8. The service charge rates will be $10.00 per farm plus $2.00 for each plot over one plus 10 cents per acre.

Cotton farmers who are interested in having their cotton acreage premeasured should call at the ASCS office within the designated period and file an application for the service. Sanders said. A deposit to cover the cost of the service will be required at the time the application is filed.

Sanders also stated that February 15 is the final date for farmers to make application for new grower's cotton allotment and new grower's peanut allotment.

Other important final dates which were released by Sanders are these: March 4 - final date to release cotton allotment and to apply for additional cotton acreage. April 4 - Final date to release peanut allotment and to apply for additional peanut acreage. April 30 - Final date to file wool and mohair receipts.

Signup under the 1963 feed grain program will begin February 1 and continue through March 22. Feed grain farmers will be mailed notices of their base acreages, normal yields, payment rates and conserving acres before signup begins, Sanders said.

EI&E

By John E. Snell
Co. Agri. Agent

USE FERTILIZERS PROPERLY

Have you been receiving the maximum return for every dollar spent on fertilizers? Here is an idea that may make or save you money in your fertility program. Using the proper combinations of fertilizers in the right amounts at the proper time can increase your crop production and net income. There are other factors, of course, such as good seed, good seedbed, adequate plant population and weather conditions, but the key to the situation is balanced fertility.

The way to start on a program of balanced fertility is with a soil test. Its pretty hard to tell what your soil needs for maximum production until you know what your soil actually has in it. That is where the soil test comes in and serves a very valuable purpose. Why not start collecting soil samples from your fields now to get a concrete analysis of your fertilizer needs. If you need additional information or instructions contact the extension office. The money you spend for a soil test will be the best fertilizer money you spend.

Farms, Ranches Sample Soil Now For Next Spring

COLLEGE STATION — Now when soil and weather conditions are nearly ideal, is the time to soil test fields to be fertilized next spring, says W. F. Bennett, extension soil chemist at Texas A & M College.

The chemist says that samples sent to the laboratories now will avoid the spring rush of sampling and fertilizing and that recommendations will be returned in one to two weeks.

The way the sample is taken is very imporatnt because the tests can be no better than the samples tested. They should be representative of the field tested and the field should be divided into uniform soil areas, explains Bennett. If there are marked differences in the slope, color or texture of areas of the field, these should be tested separately because there may be fertility differencies in these areas and thus differencse in fertilizer needs.

If part of an area has been fertilized, limed, manured or cropped differently, it should be sampled differently, Bennett adds.

Your county agent can help you in your soil sampling and provide you with an information sheet for the job .Bennett advises seeing him soon and sending our sample to one of the three soil testing laboratories at Lubbock, Seymour or College Station.

Land Changes Set For Area

Farmers and ranchers in this area are getting ready again this year to carry out more land use changes, as has been the trend the past two years.

Cropland is being changed from cropland to pastureland. Coastal Bermudagrass has proven itself and is being used to replace cash crops such as cotton, corn, maize and small grains.

Through the past ten years since coastal Bermuda was introduced in this area, farmers have put out the grass in about every possible way and under many varied conditions. They have found that a good clean seedbed is a must job and should be accomplished before anything else is done.

Most of our contract spriggers will not take a job unless the soil is in a good state of tilth. If this job has not already been done or started, now is the time to start. The land should be either flat broke or in beds. The main objective is to end up at sprigging time with a clean, well prepared, seedbed.

The sprigging operation has been tried in many ways and at different times throughout the year. In this area our best results have been observed on plantings from February 1st to about April 30th, with better results observed on the earlier plantings. The sprigging operation in most cases is being done with automatic or hand spriggers in normal width rows with from 10-15 bushels of sprigs per acre. Very good results have been observed in sandy land where 15-20 bushels of sprigs were broadcast and disked into the ground.

A. C. P. cost - share assistance will again be available on this practice. Technical assistance from the local SCS technicians is also available to Soil Conservation District cooperators on any phase of the establishment and management job from the seedbed preparation to proper use of the grass after it is established.

Self - Employment Tax Is 4.7% For Farmers, Ranchers

A majority of farmers and ranchers in this area must pay a federal self - employment tax for 1962, A. P. Andrews, Administrative officer of Internal Revenue Service, Temple, Texas, revealed today.

He said the rate of self - employment tax for the taxable year of 1962 is 4.7 per cent, and is in addition to any income tax payable.

Under the federal Social security law, the IRS representative said, Social Security taxes are paid by employees and their employers, and the self - employment tax must be paid by persons who are self-employed. These taxes are used to pay old - age, survivors and disability benefits under the federal Social Security program, he said.

He explained a self - employed person is one who perates his own business, and that a farmer or rancher who operatoes a farm or ranch, either on his own land or land rented from someone else, is therefore considered self - employed. This is true he said, even though he may employ someone else to do work and does not live on the farm or ranch himself.

He reminded farmers they must file federal income tax returns and pay any self - employment tax due, even though they owe no income tax.

Ordinarily, he added, no self - employment tax is due unless net earnings from self - employment amount to $400 or more for the year.

State Sales Tax Is Deductible

Taxpayers who itemize their deductions were reminded to take advantage of the amounts allowed for Texas State Sales Tax payments.

A. P. Andrews, Administrative Officer of Internal Revenue Service at Temple, said today that IRS has developed a Texas Sales Tax Table, shown below designed to help the Texas taxpayer calculate this deduction at a glance and without troublesome record keeping.

The Texas Sales Tax Law went into effect on September 1, 1961 and the table for the 1961 taxable year covered only the period September - December. The new table covers the full taxable year 1962.

The new table is available at all IRS offices. It does not include such deductible items as the Texas State tax on gasoline, which is five cents a gallon; the State tax on cigarettes, which is eight cents a pack; or the special tax of 1.5 per cent on motor vehicle retail sales.

INCOME	TAX
Under $1,000	$5
$1,000 under $1,500	10
$1,500 under $2,000	13
$2,000 under $2,500	16
$2,500 under $3,000	19
$3,000 under $3,500	22
$3,500 under $4,000	24
$4,000 under $4,500	27

$19,000 under $20,000	71

Krause Earns Degree At A&M

COLLEGE STATION — —David Martin Krause, of Burlington is a candidate for a degree from Texas A & M College during graduation exercises Jan. 19.

The principal speaker will be Dr. Robert E. Goodrich, Jr., pastor of the First Methodist Church of Dallas since 1946. He is an author and radio - television personality as well as a preacher.

Texas A & M officials list a total of 400 candidates for degrees including 80 seeking advanced degrees.

Krause is a candidate for the bachelor's degree in business administration with a major in personnel administration.

Make McDermott To Receive Degree

Make McDermott of Cameron will be one of the 118 students that are candidates for Bachelor of Science degrees at the University of Texas College of Engineering, at the Jan. 26 commencement.

McDermott, son of Mr. and Mrs. Make McDermott, Sr., will receive a bachelor of Science in Mechanical Engineering.

In The Service

LACKLAND AFB, Tex. – Airman Basic Frank H. Hromcik of Burlington is being assigned to Carswell AFB, Tex., for training and duty as a metals processing specialist.

Airman Hromcik recently completed United States Air Force basic military training here.

Airman Hromcik, a 1961 graduate of Yoe High School, Cameron is the son of Mr. and Mrs. Joe F. Hromcik of Burlington.

USS BAY FIELD (FHTNC) – Lester J. McCulloch, boatswain's mate third class, USN, son of Henry L. McCulloch of Cameron was serving aboard the attack transport USS Bayfield while she was part of the United States quarantine forces in the Caribbean.

The Bayfield returned to Long Beach, Calif., on Dec. 15, after spending two months in the Caribbean. She was flagship for Commander Amphibious Squadron Seven.

She was one of more than 20 amphibious ships which were called into action from the West Coast with 18,000 Navymen and Marines aboard.

USS WASHBURN (FHTNC) — John W. Morgan, radioman second class, USN, son of Mr. and Mrs. William H. Morgan of Milano, was serving aboard the attack cargo ship USS Washburn while she was part of the United States quarantine forces in the Caribbean.

The Washburn returned to San Diego, Calif. in mid - December after her two - month deployment. She was among more than 20 amphibious ships called from the West Coast for the quarantine. The mobilization involved 18,000 men from West Coast ships and stations.

Milano — Geusts Visit In Lockhart Home Over Weekend

A guest in the home of Rev. and Mrs. Richard Lockhart is Tommy Porter, Mrs. Lockhart's brother. He has just returned from Frankfort Germany where their parents live. Tommy plans to start back to Southwestern University in Georgetown the first of February. Also visiting in the Lockhart home over the weekend were his parents Rev. and Mrs. John Lockhart of Houston.

School Census Set For Rogers School District In Jan.

ROGERS — Since January is school census taking month in Texas, the Rogers Consolidated Independent School district is in the process now of taking the census for all people living in the district who are in the age bracket 6-17 inclusive.

Parents are required to certify that the children they render "will be six and under eighteen years of age on September 1, 1963. Students must reside in the district in which they are enumerated, and must be enumeraetd only one time this school year.

Since 92 students are attending the Rogers Public Schools who reside in other school districts, these students will be enumerated in their home districts. It is very important that every eligible scholastic be enumerated since the state record is incomplete otherwise.

Also, the school districts still receive funds from the Permanent School Fund of Texas on a per capita basis. Parents who will have children attending school for the first time in the year 1963-64 are urged to contact Supt. B. F. Harbour to make sure their children are properly enumerated. Mrs. Frank Green is assisting with the census.

Brashear Rites Held Here Monday

Isaac Brashear, 87, of Cameron died Saturday in an Austin hospital.

Funeral services were held 10:30 a. m. Monday at Green's Funeral Home in Cameron. The Rev. Aubrey Russell officiated and burial was in Oak Hill Cemetery.

Brashear was a retired oil field driller. He was a native of Milam County and had been living with a niece, Mrs. J. D. Smalley in Cameron for the past several years.

Other survivors include several nieces and nephews.

Jones Priarie —

Stidhams Host Houston Guests

Mr. and Mrs. Benny McClothin and daughters Jean Ann and Mary Jane of Houston were weekend visitors of her parents Mr. and Mrs. T. B. Stidham.

CHA Pays $931 To Tax Units, Reports Average Rent $18

The Cameron Housing Authority has paid $931.91 to four taxing units from school district to state level in the past fiscal year, according to an annual report.

In a financial statement for the year ending Sept. 30, 1962, Housing Authority officials reported that average income per unit was $18 per month including vacancies with no collection losses. Minimum rent was raised to $17 per month Sept 1, 1962, the report said.

Payment of the $931.91 in lieu of taxes brought the total paid to the Cameron School District, City of Cameron, Milam County and state to $4,047.19 since the project opened July, 1958.

As of Sept. 30, 1962, there were 65 minor children and 26 senior citizens living in 50 - unit developments. A total of 137 families has lived in the units over the four year span with nine families living there all four years.

Funds totaling $9,922.27 are invested and drawing interest, the report noted.

The financial statement showed ASSETS — Cash, $1,207.11; investments, $9,922.27; debt amortization, $20,921.86; deferred charges, $308.21; value of land, structures and equipment, $532,401.67; and accounts receivable, $24. Total: $564,785.12.

LIABILITIES — Accounts payable, $543.05; notes payable, $444.00 accrued liabilities, $4,456.73; fixed liabilities, $35,000. Total: $485,110.78.

SURPLUS — Unreserved surplus, minus ($27,775.77); operating reserve, $7,600; cumulative PHA contribution, $99,850.11. Total $79,674.34.

Total of liabilities and surplus is $564,785.12.

Commissioners of the Housing Authority are: Henry Siebman, chairman; John B. Henderson, Sr., August Kunz, W. J. Hannon and Earl Curtis. George McGehee is director.

Siebman succeeded Narvie L. Caperton last week upon Caperton's resignation prior to going to Washington as Cong. W. R. Poage's assistant.

Maysfield —

Rockdale Drops YHS

YOE LOSES TO LEADING TIGERS; 56 - 26

The Rockdale Tigers continued their winning ways as they dropped the Yoemen 56-26 in a basketball game Friday night.

The fine moving Tigers started scoring early in the game as they ran up 11 points before Cameron hit a basket. The game gave them a tie for the top spot in the District 19AA ratings.

Using a strong man - to - man defense the Rockdale team allowed the Yoemen only two points in the first quarter and five in the second quarter. They scored 25 points in the first two quarters to take a 25-7 lead at the half time break.

Rockdale was led by Jimmy Killend and Copie Perry with ten ints each.

Cameron's leading scorer was Dicky Ponder who sank eight points for the Yoemen. The 5'8" guard was followed by Freshman Mack McKinney with six points.

7th Grade Defeats Rockdale For 2nd District Win

The Ada Henderson 7th grade basketball team under Coach Raymond Bennett edged out the Rockdale 7th graders 21-19 in an overtime game.

The Cameron team was trailing 8-6 when the half was over. But they bounced back to even the score before the game ended. In the first overtime period the Yoe-Yoes sank the winning two points.

High men for the Cameron team were Charles Maddox, Mike Miller and Wayne Kirk. Each of these players had four points. John McLerran had three points for the winners.

Gary Tuma scored 11 points Rockdale.

B Team Loses To Rockdale 32 - 23

The Cameron Jr. Varsity lost to the Rockdale B team 32-23 in the first game Friday night in Rockdale.

Larry Paul Manley led the Yoemen as well as the scoring in the game as he dropped four field goals and two free shots for the points. John Roskosky and Douglas McFarland were second with four each. Paul Edmonds and James Vogelsang each had two points while Newton Burnett had a one on free throw.

The Yoemen used a strong last quarter to close the score after a Tiger lead of 13 points at the half and a 21 point lead at the end of the third quarter.

Yoe - Yoes Smash Rockdale 8th Grade 51 - 26 In District Game

It was the Yoe - Yoes all the way as they smashed the Rockdale 8th grade team 51-26. The Yoe - Yoes built up a 26-11 lead at the half and increased it as the game progressed.

Coach Joe Davis cleared the bench as all ten men entered the game. And all ten men scored in the game.

Leo Michalka was high point man again as he sank 15 points. Twelve of these came on field goals. In the second spot was Don Mitchell with 11 points.

The Yoe - Yoes now have a one-one record in district play. Hearne was victor in the first game by three points.

The Yoe - Yoes had an excellent night at the free throw line as they hit 19 out of 26 charity shots for a 73 per cent average. Jack Glass had six out of seven shots for the best performance.

MOD Benefit Game Set Here For 26th

Tentative plans for a March of Dimes Benefit game was announced Wednesday. The game will be played Saturday Jan. 26.

The Cameron Independents will play the Rockdale Independents in Yoe Gym. More details will be announced next week.

Independents Top Rogers Team In Game Saturday

The Cameron Independents defeated the Rogers Independents 74-64 in a basketball game last Saturday night at Yoe High Gym.

The score was close all thru the game but the Cameron team lead throughout.

Oscar Kral was tops for Rogers with 27 points. Carl Waits was second with 21 points.

Members of the Cameron team seeing action last week were Forrest Sapp, Pat Dillon, William Polster, Berdie Shuemate, John Roberts, Byron Wise, C. T. Everett and Raymond Bennett of Cameron. Dr. H. B. Halbert and Dewey Bryan of Rosebud also played with the team.

The next game for the Cameron Independents will be Thursday when they take on the Milano team. The game at Yoe Gym will start at 7:30 p. m.

Buckholts Loses Two Games Tuesday

Bartlett dropped the Buckholts team in both the boys and girls competition Tuesday as Bartlett won the boys game 44-39 and the girls game in a comeback try by the score of 35-27.

Buddy Inge led the host Badgers with 24 points while Bartlett was led by Carroll Kauitzsch with 18 points.

The Buckholts girls were led by Betty Hanke with 23 points.

SOIL SAMPLES

It's time to take and submit soil samples for testing from fields which are being prepared for this year's crops, says Bill Bennett, extension soil chemist. A soil test recommendation, he adds, is mighty good insurance when it comes time to buy fertilizer. Insurance that you'll apply the right kinds and in the right amounts for profitable crop or pasture production.

Card Of Thanks

We take this means to express our thanks to everyone who helped us in a time of need while Carlton was in the Marlin Hospital and now at home. We really appreciate everyone being so helpful. Blessings to you all.

Mr. and Mrs. Carlton Crook
Rt. 2, Cameron, Texas.

We wish to express our thanks and appreciation to those who assisted in any way or who sent flowers, food and cards of sympathy in the loss of our dear husband and father.

The family of Shep Price

Upcoming Basketball Games

YOEMEN — Jan. 18 Navasota there; Jan. 22 - A & M Consolidated here.

YOE — YOES - Jan. 21 A & M Consolidated here; 7th and 8th grades at 5:30 p. m.

ROGERS — Jan. 17 Granger here, boys and girls 6:30 p. m. Jan. 22 - Round Rock there Boys and Girls 6:30 p. m.

ROSEBUD — Jan. 18 - Fairfield here; Jan. 22 - Mart there.

ROCKDALE — Jan. 18 - Caldwell There; Jan. 22 - Hearne there.

NAVASOTA — Jan. 18 - Cameron here; Jan. 22 - Caldwell there.

Personals

Weekend guests of Mr. and Mrs. Conrad Jekel, Jr. and Dwight were Mr. and Mrs. Lee Roy Orsag, David and Debra and Mrs. Louis Denker of Austin, Mr. and Mrs. Frank Jekel of Cameron and Mr. and Mrs Alton Vybiral of Temple.

Miss Aleene Griswold returned to her work in West Monroe, La., after spending the holidays with her mother Mrs. R. A. Griswold and grandmother Mrs. Mary Chapman.

Mrs. Maud Mullinix spent the holidays in Fremont with her daughter Margie Patten and family. Her daughter and two children returned with her for a few days visit.

Lee Roy Kubecka and daughter Kathy of Downy, Calif., and Mr. and Mrs. Louis Kubecka and daughter Kay and Martha Ann of Austin spent the Christmas holidays with their parents Mr. and Mrs. V. A. Kubcka.

EGG SUPPLY

One of our neatest packaged and most nutritious food items -- the egg-- should be in ample supply during 1963 and at prices favorable to the consumer, says John McHaney, economist for the Texas Agricultural Extension Service. He adds that supplies may average for the first months of 1963 a bit under those for the same months in 1962 and prices up correspondingly. The average prices for the year, however, will be close or a little below those for 1962.

Coach John Roberts reports that the isometric exercise equipment is to be completed this week and the boys will start on the bars next Monday.

The FFA chapter under Bo Titsworth is doing a fine job on these bars which will be available to the entire student body. The Cameron Booster Club voted the funds for this program at the last meeting.

The boys that are not out for basketball have been lifting weights, wrestling, tumbling and other body building and agility exercises.

They also started to box last week as they received a set of gloves. After boxing for one minute the boys now believe that they have discovered the longest minute. And some think that the coaches have slow watches.

-sh-

We urge you to come out and support the Yoemen in their basketball. It is a very good low-price bit of entertainment. The gym is very comfortable and is warm on these cold nights.

The next game here will be Monday night at 5:30 p. m. when the scrappy 7th graders take on A&M Consolidated. This will be followed by the 8th grade game. These two teams have a lot of desire and some of the most thrilling games this year have been put on by these two teams.

The Yoemen will host A & M Consolidated here next Tuesday in what should prove to be a good game.

Another game scheduled this week is the Cameron Independent Milano Independent game. These teams are made up of older men formed together to play basketball.

This game will be played at 7:30 p. m. Thursday in the Yoe High Gym. In the last game the Cameron team topped Rogers 74-64.

-sh-

"The Coach", a magazine put out by a large sporting goods concern, recently told about golfers and their constant means to improve their score. Practicing on the living room carpet is one way to improve.

Reading the "How To" books may yield a few of the sought after secrets of others and cut a few strokes off the score. Here are a few of the tips "The Coach" found in the books.

1. File your fingernails short as possible for a better grip.
2. Use assorted eyeglasses for assorted length putts.
3. Always keep a spare golf ball in your pocket to warm up -- a warm ball goes five per cent further.
4. Keep your eye on a spot just to the right of the ball.
5. Relax all over -- especially around the mouth. Remove false teeth just before using a wood.
6. Wear suspenders -- with the left side hiked up tighter than the right.
7. This is from the British great Ted Ray: "Secret? -- sure! Walk right up to the ball and swat the bloody taing!"

So there you are golfers. Go to it and lower your score.

Herald Editorial Page

Prophesy Shows Need For Exchange

A good friend of The Herald recently brought in an Alabama editor's prophesy of things to come — and go — written for a speech in 1922 and reprinted in the Montgomery Advertiser Christmas Day, 1962.

This Southern editor of 40 years ago foresaw the eclipse of disease, the advancement of man's knowledge, a quieter, longer happier life and finally an end to the "eternal struggle." His foresight in medical developments was much justified in those 40 years. And we trust that his estimate of man's refinements, finally accepted, will as well come true.

It is expected that an editor of 40 years ago would place great emphasis on the accrual of mental power through information, even more than on the enlargement of natural mentality. The editor, Grover Hall, Sr., said "information is the salvation of the world."

The events of these 40 years past seem to justify his position. Man has created atomic energy by cracking the atom; man has refined neuro - surgery and other medical wonders to amazing success; man has created the prospect of someday feeding and clothing all of his kind.

These things have been done through the exchange of information developed through his enlightened mental acumen. But man's exchange of information has not been as active as his exchange of bullets and rockets or his exchange of virulent propaganda.

Too seldom does he take the risks of fortune to exchange information for the Alabama editor's higher hopes:

". . . the human mind has other worlds to conquer. Man on earth is going to know the truth about this and other universes one of these days. By radio he will procure from his planetary neighbors such information as they should have acquired about other habitations beyond the reach and grasp of man on earth."

". . . Man's days will be longer, and his nights shorter, and he will work fewer hours. But he will have become morally and intellectually worthy of his abundance of golden leisure; it will then be safe for man to work less and possess more . . ."

Editor Hall likely was considered an idealistic optimist when he foresaw these hopes in 1922. But the cast of history has been in this direction, though its lines have frequently entwined in the brambles of conflict and distrust.

We appreciate the greater value in this progress, foreseen by such a man, likely an informed idealist; and we believe as he that it would be achieved through the reality of information, freely and factually exchanged.

Milam Cattlemen Show Leadership

Another area of Milam County leadership can be counted with the mustering of some $12,000 in pledges for the Southwestern Screwworm Eradication program. This was $3,500 more than budgeted for Milam .

In many of the counties of Texas and four other Southwestern states where cattle are a major economic influence there is a shortage of support for this valuable program.

Charlie Scruggs, president of the Southwest Animal Health Research Foundation, said the five - state area needs another million dollars to meet the needs of the program.

We do not know how many of the cattle counties of Texas made their quota, let alone exceeded it as did Milam; but we think the agriculture leadership and stockmen in the Milam County Livestock Improvement Association who made this enviable record possible should be cited for their foresight and hard work.

The whole program seeks $3 million. If all the counties will organize and work as in Milam, they won't need to worry about contributions.

When an economic group can raise 41 per cent more than asked to pledge, this is a real accomplishment. We hope the cattlemen of the State of Texas take notice and follow Milam's lead.

Texas Senate Ordeal Repeated

By Vern Sanford

AUSTIN — The ordeal of the "Black beans" has been repeated in the Texas Senate, although without the usual dire consequences.

Texas' Constitution requires "choice by lots" every ten years to determine which members of the Senate shall begin the decennial with two year terms and which shall receive four year terms.

Among those whom the fate of the "black bean" drawing decreed must run again next spring, if they are to remain more than two years in the Senate, were veterans George Moffett, Dorsey Hardeman, Charles F. Herring, Frank Owen, III, Bruce A. Reagan and William T. Moore.

Other returning senators with half - term assignments were Galloway Calhoun Jr., Martin Dies, Jr., Abraham Kazen Jr., David Ratliff and A. R. Schwartz.

Freshmen senators who got the two - year terms were H. H. Blanchard, Don Kennard, Jack Stroong and J. P. Word.

Returning senators who held onto four - year terms were A. M. Aikin Jr., Mrs. Neveille H. Colson, Tom Creighton, Louis Crump, Grady Hazlewood, Culp Krueger, George Parkhouse, William N. Patman, Andy Rogers and Franklin Spears.

New members drawing full terms were James S. Bates, Criss Cole, Ralph Hall, D. Roy Harrington, Walter Richter and Murray Watson.

However, there is a possibility that a constitutional amendment and new redistricting act may require election of all senators again next year.

COIN TOSS CHOICE

Selection of the president pro tempore of the Texas Senate was determined by the toss of a coin.

Senator Martin Dies Jr. of Lufkin won over Senator Louis Crump of San Saba when the pair decided to flip a coin for the position, rather than to oppose each other.

Customarily, the selection is made on the basis of seniority.

In this instance, Dies and Crump had equal seniority.

HOUSE RULES FIGHT

Election of Speaker of the House Byron Tunnell, fourth - term representative from Tyler, took place at the opening of the 58th Legislature with only token opposition— nine votes cast for Rep. John Alaniz of San Antonio.

But the rules fight that followed Tunnell's ascension to the speaker's stand was a different story.

A group led by Rep. Bob Eckhardt of Houston sought to adopt the permanent rules of the 57th Legislature as the temporary rules of the 58th -- a custom that has been followed by previous sessions.

The last session operated under temporary rules until its waning days. It then adopted its amended rules as its own permanent rules. Thus if the current session had followed suit, it would have necessarily adopted the changed rules, under which no Legislature has operated, as its own.

It decided not to do so, by a vote of 18 to 39.

HOUSE COMMITTEES NAMED

Most members of the House of Representatives felt that House Speaker Byron Tunnell was "very fair" in his committee assignments.

Rep. John Allen of Longview, who made the nominating speech for the new Speaker, will head the committee on state affairs; Rep. Ben Barnes of DeLeon will be in charge of hiring and firing for the House as head of the rules committee.

Other choice chairmanships include: Rep. W. S. Heatly Jr. of Menton J. Murray of Harlingen, Congressional and Legislative Redistricting; Rep. James Cotten of Weatherford, Constutional Amendments; Rep. Jerry Butler of Kenedy, Labor; and Rep. George Cook of Odessa, Oil, Gas and Mining.

FAMILY TRADITION

When Senator Strong took the oath of office as senator from the second district, it marked the 40th anniversary of the day his father, James G. Strong of Carthage, was first sworn in to represent the same area.

The "elder" statesman in the Strong family and his wife were witnesses to the swearing - in ceremony for their 32 - year - old son.

"HOT CHECK" BILL PROPOSED

A bill which would help small-town merchants with the problem of bad checks has been prepared by Sen. Bruce Reagan, who wants an act authorizing justice of the peace courts to try bad check cases up to $25.

Under the present hot - check law, a merchant must travel to a county seat to file charges in a county court for a $10 hot check. If Reagan's bill becomes law, the merchant could file a complaint in his local justice court.

Rep. George Richardson of Fort Worth is preparing a bill which would allow justices of peace to try cases involving hot checks of less than $50. He feels that the peace court justices are closer to the people of their areas and can handle complaints quicker than district attorneys.

INSURANCE LEGISLATION

Sen. A. R. Schwartz hopes to find a solution to a problem made apparent by Hurricane Carla. After the record force struck the Texas coast, many homeowners had difficulty collecting for water damage because they had fled the scene and didn't know exactly how the damage occurred.

Schwartz's bill would require the State Board of Insurance to make insurance firms, instead of the homeowners, carry the burden of proof.

Another insurance bill is being drafted by Rep. Don Gladden of Fort Worth who will fight for legislation to protect persons injured in automobile accidents by uninsured motorists.

His bill calls for a special state fund to pay for personal injury costs incurred in accidents with uninsured drivers. Any car owner who couldn't prove ability to pay liability when he registered his car, would have to pay $20 into the fund.

"BIG COLLEGE" VOTE WANTED

Senator W. T. Moore of Bryan says he will introduce legislation requiring a vote of the people before a four year state - supported college can be created.

70 MPH SPEED LIMIT

Rep. Forrest Harding of San Angelo will introduce a bill to increase the maximum speed limit on Texas' highways to 70 miles per hour.

"OLD FOLKS" MARCH

Texas legislators have received a petition which says old folks of the state will camp on the Capitol lawns until they get higher pensions.

The printed petition was signed by Russell Jack Ballard. He identified himself as president of the Good Citizens League of Texas, Wichita Falls.

CHILD CONTROL

A House committee seeking economy in state government has recommended stricter regulation over state aid for illegitimate dependent children.

The Committee on Saving Taxes adopted a sub - committee report bearing this recommendation, after argument over whether such aid encourages illegitimacy.

PHONE RATE FIGHT ENDS

A phone rate dispute, between the City of Weisaco and General Telephone Company of the Southwest, ended in the Texas Supreme Court. Court upheld the city's right to set local rates and the phone company's right to set rates for long distance calls within Texas.

Controversy began three years ago when General Telephone sought an injunction to keep Weslaco city commission from setting local rates which the firm considered too low; and to keep the city from establishing intrastate call rates on the same basis as that set by the Federal Communications Commission.

It often costs more to call someone in a city within the state than it does to call the same distance, or even farther, to someone in another state.

Supreme Court upheld a decision made by the 4th Court of Civil Appeals.

SECURITIES RECORD

State Securities Board says Texas made significant gains as a source of public investment funds in 1962.

In its annual report to Governor Daniel, the Board said the sharp decline in the stock market was no deterrent to public investment in funds which it regulates.

During the year the board granted 655 permits for the sale in Texas of securities valued at $357,340,707.

On the policing side of the board's activities, it reported that three applications for permits to sell to the public securities valued at a toal of $745,000, were denied.

Report also noted that 22 applications representing 22,417,826 were withdrawn.

More than $445,000 in fees were collected during the year.

97% Of Taxes Paid Voluntarily In '62

AUSTIN— Taxpayers of South Texas were lauded in a special statement released by District Director of Internal Revenue R. L. Phinney.

"It is gratifying to know that the all - time record of $2,141,167,342, paid in by Austin District taxpayers during the 1962 calendar year is the direct result of public integrity and sense of civic responsibility," Phinney said. "It is a tribute to the American self - assessment system, considering that 97 per cent of the taxes paid is at ance by the taxpayer, and a mere 3 per cent was the result of our enforcement program," he continued.

Phinney said further that such taxpayer cooperation has permitted the Internal Revenue Service to do its primary job of seeing that all taxpayers pay their fair share of taxes, and at a current cost of less than a half penny for each dollar collected.

Yvonne Grothe To Receive Degree

Yvonne Annette Grothe of Cameron will receive a bachelor of science degree at Sam Houston State College in January.

Miss Grothe is one of 160 students to receive their degrees. No graduation services will be held in January but the students will take part in the May Commencement exercises.

THE OLD PHILOSOPHER

Philosopher Joins In Move For A Tax Cut, But Not Just On The Washington Level

Dear editar:

In nearly every newspaper or magazine I've gotten my hands on lately there has been a bunch of articles on the prospects for a tax cut this year.

According to the experts, a tax cut will stimulate business, increase capital and initiative, and produce more rather than less revenue for the government in the long run. I don't know how this will work, but if the government believes it can get more money out of me by taking less, I'm willing to enter into the experiment.

As I understand it, the present income tax system is riddled with loop holes and a drive may be made by Congress to close them up. My position is that I'm in favor of either closing them or having them pointed out. I'm opposed to all loop holes I don't know anything about and can't take advantage of.

However, I have given the tax cut idea some thought and I'm afraid the experts are victims of a blind - spot. They're spending all their time on Federal tax cuts, which everybody is in favor of, but when the rate goes down on the Federal level, what's going to keep it from going up on the state and local level? This advanced idea that a government can get more revenue by taxing less may not have trickled down to the lower levels yet.

It may take years for Congress to unsnarl the present income tax regulations, but in the meantime I have a handy solution to tide us over. Just give everybody a ten per cent cut in his taxes, from top to bottom. I guarantee I will take my ten per cent and stimulate business with it.

I know a lot of people will say all we'd be doing is piling up a debt for our grandchildren, but what makes you think our grandchildren won't be smart enough to have grandchildren of their own?

Yours faithfully,
J. A.

DIRTY FILTERS

Dirty filters are the cause of at least two common problems encountered with forced air heating systems -- loss of efficiency and unsatisfactory performance — says W. S. Allen, extension agricultural engineer. The first indication of a dirty filter may come when fuzz is noted over the house and the efficiency of the unit declines. He suggests frequent checks of the filter.

If Wide-Track is as hot as Pontiac says, why don't they put it in their Tempest?

They just did.

We can take a hint. When people are as happy with something as Pontiac owners are with Wide-Track, we're willing—nay, eager—to let everybody else in on it. That's why Tempest has a Wide-Track of its own this year. It's why you get to choose between a lively 4 and a 326-cu. in. V-8*, too. We aim to please—and if we do say so, we're pretty accurate. *Optional at extra cost.

Now there are two kinds of Wide-Track cars . . . Pontiac and Tempest.

Inside Measurements

". . . . Rise and measure the temple of God and the altar and those who worship there, but do not measure the court outside . . . " Rev. 11:1-2.

That which we accumulate in worldly goods, wealth and prestige is comparable to the outside court of the temple. Each of us is a temple of God and when life is ended only the inside measurements are considered. We must pass from this life, and the person on the lowest rung of our social ladder is equal to the one possessed of great influence and fame; material possessions are not measured.

Our most important thought, therefore, is how best to increase the measurement of the temple within us. Attendance; with participation in the activities of the Church of our faith are of primary importance, for the Church points the way to praiseworthy thoughts and deeds, and to a commendable way of life that enlarges the temple of God within.

Historical Survey Committee Plans January 19 Meet

Over 2,500 members of County Historical Survey Committees in the 245 counties of Texas will meet with respective County Judges on Texas Historical Preservation Day January 19. This day will be proclaimed by Governor - elect John Connally to kick - off the year's work of historical preservation and marking in the counties.

Texas Historical Preservation Day meeting of County Historical Survey Committees will include the election of officers and formulation of plans for the year.

The Texas State Historical Survey Committee, official state agency for historical preservation, is the coordinator of preservation work on the local and state levels.

Dr. Rupert N. Richardson of Abilene, president of the TSHSC, said, "Events of the past should be recorded, marked and preserved for the present and future."

"History is the number one tourist attraction in Texas," he explained. "For this reason, the current programs of the TSHSC are to acquaint the citizens of Texas and tourists about the unique story of the Lone Star State."

Current programs of County Historical Survey Committees include placing Medallions on historical structures and encouraging restoration and - or preservation, marking every historic site and landmark, making all Civil War graves developing or improving local history museums, locating, saving and recording archives, collections of letters, diaries and other papers and documents, and planning county histories, histories of subdivisions, schools, businesses, grave - yards plus making recordings of historic experiences of people.

Interested in preserving the historical heritage of Texas, Governor - elect Connally has assured the TSHSC of his support of laws for a comprehensive program. These include:

Authorizing the state, Counties and cities to acquire by gift, purchase or condemnation, historical sites and buildings. Permit counties and cities to operate historical museums, mark historical attractions, and finance local historical preservation work.

Making it unlawful to damage, steal and deface historical markers, sites or artifacts.

"If this program is passed by the Legislature," Dr. Richardson, "Texas will have the best such laws in the nation for saving and restoring the historic attractions."

Alfred Price Given $50 Certificate

A $50 award was presented to Alfred Price of Mack's Oil Compan yservice station at 513 Kemp St. Cameron.

The award was given by Phillips Petroleum Company for giving outstanding driveway service to a Phillips "Mystery Motorist."

The award was made when the "Mystery Motorist" recently made an unheralded visit to his Phillips 66 station.

To win the award, Price appeared in proper uniform and gave the "Mystery Motorist" the six steps of the service. Following this service the customer identified himself as a Phillips "Mystery Motorist" and left a $50 certificate at the station.

Carloads Total 24,786 On Santa Fe

Total carloads moved over Santa Fe system lines for the week ending January 5, 1963 were 24,786 compared with 28,427 for the same week a year ago.

On - line loadings were 16,028 compared with 19,661 for the corresponding week last year.

Cars received from connections totaled 8,758 compared with 8,766 for the same week a year ago.

Santa Fe handled a total of 22,772 carloads in the preceding week of this year.

STATE CHAMPION

Noville Todd, Route 6, Nacogdoches, has been named state champion in the 1962 Texas Hybrid Corn Program. His yield of 164.1 bushels an acre, made under irrigation, topped all competitors and compares with the 31 bushel average for all Texas corn producers. The 31 bushels per acre for the state is a record but was harvested from the smallest acreage since 1870, says Ben Spears, extension agronomist. The program is sponsored by the Texas Certified Seed with the Texas Agricultural Extension Service.

GET FAST SIGHT ON TARGET

"Experts" tell you not to "sight" with your shotgun.

Nevertheless you will get better results and score more hits, when duck or bird shooting, if you'll paint a thin white line from the front sight of your shotgun to the breech. Try it.

STATE OF TEXAS
COUNTY OF MILAM

To all Banking Corporations Associations, Or Individual Bankers in Milam County, Texas:

You will take notice that the Commissioners' Court of Milam County, Texas, will on the 11th day of February, 1963, at 10:00 o'clock A. M. at the Commissioners' Courtroom at the Courthouse in Cameron, Texas, select and enter into a contract with, a banking corporation, association or individual banker in Milam County, Texas, for the depositing of the public funds of such County in such bank or banks in accordance with the provisions of Articles 2544 et seq. Vernon's Annotated Texas Statues.

Any banking corporation, association or individual banker in such county desiring to be designated as county depository shall make and deliver to the County Judge an application applying for such funds and said application shall state the amount of paid up capital stock and permanent surplus of said bank and there shall be furnished with said application a statement showing the financial condition of said bank at the date of said application which shall be delivered to the County Judge on or before the first day of the term of the Commissioner's Court at which the selection of the depositories is to be made. Said application shall also be accompanied by a certified check for not less than one - half of one per cent of the county's revenue for the preceding year as a guarantee of the good faith on the part of said bank, and that if said bank is accepted, as county depository, that it will enter into the bond hereinafter provided.

Don G. Humble
County Judge,
Milam County, Texas
43-4tc

11. Cards Of Thanks

We wish to express our sincere thanks and appreciation to the many friends and relatives who helped in time of our sorrow and to Newton Hospital Staff we express our thanks.

By Vera Sanford

Many elements are involved in making a good lake. By good we mean one that will stand up under heavy fishing pressure.

Lake Whitney, on the Brazos in North Central Texas, seems to have all the attributes.

This lake, now a dozen years old, has withstood such heavy pressure. It is located almost midway between Waco and the Fort Worth - Dallas area. This means that it is worked every fishable day of the year.

And still it produces fish.

Lake Whitney Dam backs water up the Brazos to cover almost 50,000 surface acres when it is filled.

Construction started in 1947 and was completed by the U. S. Corps of Engineers in 1953 at a cost of just over $69,000,000.

The dam itself is 1',695 feet long and 159 feet high. It is wide enough to carry highway traffic across it between Whitney and Clifton and points east and west.

Although rainfall fluctuates its depth, perhaps the secret of good fishing in Whitney is the fact that it is filled from an effective watershed of more than 17,000 square miles.

Because of the rich food qualities washed into the lake each slight flood, fish grow big and sassy.

Principal sport enjoyed by Lake Whitney fishermen is catching largemouth black bass, whites (sandies), crappie and catfish. The lake is loaded with bream, but unfortunately Whiteney is undesirable for this wonderful little creature.

Whitney is easy to reach. Good roads lead to the lake from every direction, with many access points.

There is a spacious state park which permits public camping. The park is heavily trafficked by weekend campers from many part of Texas.

The Corps of Engineers has developed recreational areas. They bear such names as Lofer's Bend, Towash, Cedar Creek, Kimball and Powderdale.

People of Whitney have had a large part in making this an all-purpose lake. They have developed various types of water sports, including speed boat races, water skiing, boating, and swimming. One of the annual features of Whitney is its bathing beauty contest, which has sent a bevy of gorgeous girls into top contests over the nation.

Villages on both the east and west side afford cabin facilities, food and drinks. There are several small airstrips around the lake and numerous family - owned cabins.

Although Whitney is a long narrow lake, it can get rough in bad weather. When it is dangerous to go onto the water, warning flags fly. But with so many sloughs there always are places that can be fished, even in the foulest weather.

Many eight - pound bass have come from this lake, and many more will be taken, because the water is good. It is the only inmpoundment on the main body of the Brazos below Possum Kingdom some 100 miles northwest. Between the two dams are plenty of places for bass to propagate and grow big.

There also are a number of fishing barges on Lake Whitney. They provide 24 - hour fishing in any kind of weather. Some of them are air conditioned in the summer and heated in the winter ..... for year 'round comfort.

Waterfowl shooting is permitted in season an dquail are quite plentiful in certain areas. Deer can be found around Whitney too.

Lake Khitney was constructed as a flood control project, with generators in the dam to produce an annual power capacity of some 8 kw-hr.

Whitney is a beautiful body of water throughout its entire length. When you cross the dam you are impressed with the rockbound shores on the west and the rolling hills on the east. A ride up Whitney in a fast boat reveals many beautiful sights where artists could spend a lifetime recording its beauties and moods.

THE CAMERON HERALD

Mrs. Edward Lee Lierman

McDonald, Lierman Vows Read Thursday

Miss Barbara Kay McDonald became the bride of Edward Lee Lierman of Temple at the United Church of Christ in Ben Arnold in an afternoon ceremony Thursday, January 10.

Miss McDonald is the daughter of Mr. and Mrs. Finis Thweatt of Cameron and the groom is the son of Mr. and Mrs. Ed Lierman of Ben Arnold.

Rev. William Wuerz performed the double ring ceremony before an altar decorated with baskets of white mefo mums on each side of the altar. The main altar was centered with an arrangement of white mefo mums.

Mrs. Max Schuetze furnished traditional wedding music.

Given in marriage by her father, the bride wore a full circle street length wedding gown of white organza with a white lace bodice accented with a white satin bow on the center front bodice. The dress featured long tapered sleeves.

Her fingertip veil fell from a queen's crown of pearls. She carried a white cattleya orchid atop a white Bible with white lilly-of-the valley shower. Her only jewelry was a crystal drop necklace and a pin which was her great - great grandmothers.

Maid of honor was Miss LaNell Rogers of Abilene. She wore a short fitted pink wool dress with three quarter sleeves. She carried a cascade bouquet of pink princess mums.

Johnny Laviceis of Rosebud served the groom as best man. Ushers were Leonard Doskocil of Rosebud and J. L. Flemings, uncle of the bride of Alice.

The bride's mother wore a dress of black lace over taffeta with black accessories and a white carnation corsage. The groom's mother wore a navy silk jersey dress with black accessories and a white carnation corsage.

A reception was held following the ceremony in the recreation room of the church. Mrs. Leonard Doskocil of Rosebud registered guests in the bride's book.

The serving table was centered with an arrangement of white mefo mums. A three tiered white cake adorned with pink roses with a bridal couple resting on the top tier of the cake graced the table.

Others in the house party were Mrs. Geraldine Charanza of Caldwell and Mrs. Oskar Kalfus of Temple, serving the cake, and Miss Betty Jane Lorenz of Temple, serving the punch.

For traveling the bride wore a grey knit suit with black accessories and the orchid corsage from her bouquet.

After a wedding trip to Louisiana the couple will make their home in Temple.

The bride is a 1962 graduate of Yoe High School and of Durham's Business College of Austin.

The groom is a 1961 graduate of Yoe High School, attended Blinn Junior College in Brenham and Continental Business College in Temple. He is presently employed in Temple.

Clarkson —

Harrisons Visit In Cedar Springs

By Mrs. J. A. Blasienz

Mr. and Mrs. Bill Harrison were Sunday guests of their daughter and family Mr. and Mrs. Oran Casey and daughters of Cedar Springs.

Mrs. Sarah H. Lambert died Thursday at the home of her daughter Mrs. C. H. Speer in Temple. Burial was in Wilson Valley Cemetery. The Lamberts lived in the Clarkson community before moving to Temple some years ago.

Mr. and Mrs. Leonard Doskocil, and Mr. and Mrs. Emil Lanicek and Johnny were among those from Clarkson attending the McDonald - Lierman wedding at the E&R Church in Ben Arnold Thursday afternoon.

Mr. and Mrs. Hubert Skala and Kelvin visited Mr. and Mrs. Charles Burnett of Bryan last Sunday.

Paul Hauk of Austin spent the weekend with his mother Mrs. Joe Hauk.

Mr.and Mrs. Robert Mayer of Walnut Springs were here recently for the funeral of Albert Hoes. They also visited in Rosebud with his sisters Mrs. Henry Trojan, and Mrs. Louis Geoke. Another sister Mrs. Louis Skala was also there to be with them.

Mrs. Otto Mayer and Mrs. Walton Warshak and Rose were in Temple last Monday.

Mr. and Mrs. John A. Blasienz and Mrs. Archie Wilson of Bryan have been visiting their father J. A. Blasienz at the Ocker Rest Home in Rosebud. Blasienz is reported doing satisfactorily.

Plant Care Topic At B&PW Club

Mrs. J. L. Foster discussed Plant and the care of plants at the last meeting of the Business & Professional Women's Club. Mrs. Julian Brown was hostess for the meeting.

Mrs. Brown served pastries and spiced tea to 10 members and one new member, Mrs. Foster.

The next meeting will be with Miss Lois Randolph, 7 p. m. Jan. 21

PTA Holds Meeting In Rogers School

ROGERS — The Rogers Parent Teacher Association had the regular monthly meeting Monday at 7:30 p. m. in the high school library, according to Mrs. Floyd Fritts, president.

The main program was a featured safety talk by Patrolman Bill Harmon of the Texas Department of Public Safety in Temple. Mrs. D. D. Ward, program chairman announced.

A. J. Dabney, local mayer, opened the meeting with prayer. A short business meeting was held during the evening.

Mrs. Floyd Rekieta

Sandra Miller Weds Floyd Rekieta Sat.

Sandra Miller of Houston and Floyd Rekieta of Houston were married Saturday in St. Mary's Catholic Church in Bremond

Parents of the couple are Mr. and Mrs. Hugo Miller of Ben Arnold and Mrs. Edna Rekieta of Bremond.

Red carnations decorated the altar for the double ring ceremony.

Mrs. Darlene Slafka of Bremond furnished traditional wedding music.

Given in marriage by her father, the bride was dressed in a lace tulle over taffeta dress. The dress featured a scalloped neckline with long tapered sleeves.

Her fingertip veil was held by a crystal crown. She carried a cascade bouquet of white carnations, lily of the valley centered with a white fushia - throated orchid. She wore a tear drop necklace, a gift of the groom.

Ann Wierzbicki of Houston was maid of honor. Bertha Ann Miller of Ben Arnold was bridesmaid. They were dressed in red peau-de-soie dresses with rounded necklines and long sleeves. They carrid white carnations in a cascade bouquet.

Bill Meleer of Houston was bestman and Antone Resiner of Houston was groomsman.

The bride's mother wore a black suit dress with white carnation corage and the groom's mother wore a multi - colored dress with white carnation corsage.

A reception was held at a restaurant at Bremond. Jean Hinze of Houston registered the guests. The bride's and attendants bouquets centered the refreshment table which held the three - tiered wedding cake.

For traveling the bride chose a red wool suit. The couple will make their home at 835 Fugate in Houston.

The bride is a graduate of Yoe High School and Durham's Business College, Austin. The groom graduated from Bremond High School.

Mrs. Lester Hosts Fleur - de - Lis Club

"Green Around The House" was the program for the Fleur - de-lis Garden Club meeting Tuesday evening. The club met at the home of Mrs. Jimmy Lester. Mrs. Sidney Richardson was co - hostess.

Mrs. J. L. Foster presented the landscape program emphasizing careful planning before planting.

Officers elected for the 1963-64 club year were:

Mrs. E. O. Smith, president; Mrs. John Schigut, vice - president; Mrs Gene Friemel, recording secretary; Mrs. A. W. McCullin, Jr., corresponding secretary; Mrs. Jesse Kirk, treasurer; Mrs. Frank Luecke, reporter and Mrs. Fred Hornung, historian.

Installation of officers will be held in May.

Mrs Angell Hosts Cameron HD Club

The Cameron Home Demonstration Club met in the home of Mrs. Earl Angell Tuesday.

Year books were filled out and plans were made for new club year. Mrs. V. L. Angell was elected as candidate for delegate to District THDA meeting.

The club welcomed as new members Mrs. Albert Matula, Mrs. Bartow Jackson and Mrs. T. D. McKinney.

The next meeting will be Feb. 12 in the home of Mrs. T. F. Burnett with Mrs. George Jones as co - hostess.

BIRTHS

To Mr. and Mrs. A. Munoz, of Rt. 4, Cameron, a girl, 8 lbs. 3 ozs. born Jan. 11. She was named Olga

To Mr. and Mrs. M. Munos, of Cameron a 10 lb. boy, David, born Jan. 13.

Arbor Day —

Club Gives Tips For Tree Planting

In observance of Arbor Day, as designated by the Texas Legislature in 1949 to be on the third Friday in January in this state, January 18, this year, the Civic Garden Club wishes to lend encouragement to the planting of trees and submits helpful hints in this writing.

Dig or buy trees with earth around roots, balled or wrapped. A two - year - old or one of medium size is best to plant. It will grow easier than a large tree and often bears fruit about the same time.

Dig the hole wider and deeper than the root spread. Cover roots with the top soil, tramp down well, then fill hole with remaining soil and water. Let tree settle for a short time. It will be a little lower than its growth level. Water well the first year.

Trees need sun, good drainage and ventilation. Place in groups of one kind or plant one for a focal point. Do not use fertilizer the first year.

The tree's root system spreads about as wide as the branches of a full - grown tree. Do not plant trees close together as they will steal sun, moisture and fertility from each other.

Give one teaspoon of 5-10-5 dissolved in one gallon of water for new trees; it gives them a wonderful boost – but do not over do.

Put a piece of clay pipe or a funnel in the ground at planting time in which to put food and water which goes directly to the roots. Fine for summer watering.

Foundation planting, including trees, adds to the landscape value of your home. Make a sketch of the boundaries of your property. Draw the house, garage, walks, driveway, etc. Place flowering trees so that they may be seen to advantage through the windows. Make this study with care and don't hesitate to move trees around for the best result of the unit as a whole for shade, balance, depth, flowers and beauty for the home.

Certain native trees do best in their native soil and climate. Use these trees when possible.

Drive Held Wed. For March Of Dimes

ROGERS — The "Women's March" in the March of Dimes drive was held in Rogers Wednesday at 4 p. m. according to an announcement by Mrs. B. M. Guess, chairman.

Twelve women worked the entire town, Mrs. Guess stated and the cooperation of the people was appreciated.

Wayne Crawford, manager of the local Wm. Cameron Company is general chairman of the March of Dimes Drive in Rogers in 1963. Crawford urges the full cooperation of everyone in Rogers in this drive.
